The College – A Brief History

Sri Krushna Chandra Gajapati Autonomous College, Paralakhemundi was founded in 1896 under the kind patronage of Shri Goura Chandra Gajapati Narayan Deo, the Raja of Paralakhemundi. The same year it obtained affiliation as a second grade college from the Madras University. The continuous efforts of Maharaja Sri Krushna Chandra Gajapati Narayan Deo finally saw the college upgraded to the status of a first grade college in 1936.

Originally affiliated to Madras University, the college had the Honour of being one of the first five affiliated colleges with which the Utkal University started functioning in November 1943. On 2nd January, 1967 the Berhampur University came into being and since then the college has been affiliated to it. After up-gradation of Ravenshaw College into A University this College has been enjoying the reputation of being the oldest Govt. College in the State.

On 11th July 1947 the college was taken over by the Government of Odisha and named after Sri Krushna Chandra Gajapati. Towards the end of 1948, the college was shifted from its old building to the Morrison extension (named after Mr. Cameran Morrison, Tutor of the Maharaja) in which it is housed today. The college campus today boasts of the original two-storeyed science and administrative block duly extended with the addition of the Controller of Examination Section, extension of the main building, a two storeyed block for the humanities a library block with an auditorium in the first floor, an open air stage, Geography Department, a new block with computer science laboratory and class rooms, a cycle stand, a canteen, the Mission Bungalow which houses the Commerce Department, the P.G. Departments of Odia and IGNOU study centre. A three storey building comprising twelve new lecture theatres and two seminar halls is being constructed.

The college also attained the distinction of being one of the first lead colleges of Odisha in 1990. The Government of India released a commemorative Rs. 1/- Postage Stamp and a First Day Cover in May 1996 in commemoration of the hundredth year of establishment of the college. The college celebrated its centenary function on 10, 11, and 12th January 2001 amidst the present and past students and staff and in the gracious presence of His Excellency, the Governor of Odisha, Honourable Chief Minister, Honourable Speaker and several other distinguished guests.

National Seminar on LANGUAGE, LITERATURE AND CULTURE STUDIES. The inaugural session was presided over by Dr. U.K.Sahu, Principal and addressed by Maharaja Sri Gopinath Gajapati Narayan Deo as Chief Guest and Professor Sehedev Kumar, Emeritus Professor, Waterloo University, Canada as Chief Speaker.

Keynote addresses were presented by Prof. Chandrabhanu Pattanayak, of CUTM, Odisha, Prof. Himansu Sekhar Mohapatra of Utkal University, Prof. E. Raja Rao of Berhampur University, Prof. Asim Ranjan Parhi of Rajib Gandhi University, Arunanchal Pradesh in the Plenary Sessions. Twenty four research papers presented by teacher's scholars and students all over the state were highly appreciated by the learned audience.

11. Academic and Co-curricular Activities

(a) Gajapati Memorial Lectures

The objectives of Gajapati Memorial Lectures, which have been annually organized for the last twenty years, is to widen the academic as well as the intellectual horizon of our students by introducing them to diverse concepts and fields of study through the learned erudite deliberations of the invited prominent figures which is made further useful through a structured and intense question-answer-interactive session.

The uniqueness of Gajapati Memorial Lectures is its very naming after Sri. Krushna Chandra Gajapati, the founder of Odisha as a separate state. The visions and aspirations of this enlightened king inspire one and all. The social and educational backwardness of this tribal dominated district can only be removed by greater awareness of the student community about recent developments. The fund allocated for the seminar is small. But the organizers have always roped in important scholars in science, literature and culture for the talks.

Paralakhemundi is a remote border area of Odisha. Students are cut off from the main stream of the educational and cultural life of Odisha and India at large. The Gajapati memorial lecturers were conceived of to remove this disadvantage of our students and make them aware of the recent development in all areas of study. The talks are all published in the form of books and widely circulated among the students, nearby educational institutions and leading

intellectuals of this area. The opinion collected through questionnaires is highly satisfying and have encouraged the college authorities to continue the tradition.

Gajapati Memorial Lecture on 6th January 2015.

The Gajapati Memorial Lecture, presided by Dr. U.K.Sahu, Principal and organized jointly by the Prof. in charge Sri S.B.Mishra and Dr. K.Ojha was held in the auditorium on 06.01.2015. Prof. Mrinal Chatterjee, Prof. and Head, Indian Institute of Mass Communication, Dhenkanal, Odisha delivered as talk on ROADMAP FOR A PROSPEROUS ODISHA with an optimistic vision to recognize, understand and use our power to make our motherland prosperous.

Extramural Talks

- A. Prof. Aditya Kumar Mohanty, Former Prof. of Philosophy, Utkal University. delivered a talk on “Global Crisis and Cure” on 05/12/2014.
- B. Sri Sunil Mishra, Director General Income Tax (Investigation, Karnataka & Goa), Bangalore delivered a talk on the challenges before the youth and their role for a bright future on 06/12/2014.
- C. Prof. N. Nagaraju, Prof. of English, Karnataka Central University, Gulbarga delivered a talk on “Literature and Ecology” on 16/01/2015.

Departmental Seminar

Departments of Botany, Zoology, Chemistry, Physics, Mathematics, Geography, Odia, Economics, Political Science and Commerce organized two Seminars each during the year. Eminent Professors, Teachers and Experts from the University and various colleges of Odisha attended, delivered talks and encouraged students to present and participate in seminar activities.

Youth Rallies

The youth rallies organized every year on the birth day of Swami Vivekananda intend to sensitize young students on activities like blood donation, issues like sexual harassment, women empowerment etc. Blood Donation Camps are held and seminars on these issues are conducted with Officers from District Judiciary as Chief Guests.

The Youth Rallies are important because the youth of today will take care of this country and its problems in the near future. So it is very important to involve them in constructive and meaningful activities.
