Hello friends !!

Here I am, welcoming you all once again, thrilled with renewed enthusiasm and a deep sense of pleasure, introducing our latest issue of The College Newsletter !!

This session too, like the last one has been hectic. Admissions, Induction Sessions and Fresher's Day Celebrations while dealing with tight examination schedules, all at one go have kept us on our toes and on high at the same time. Nevertheless, our young and enthusiastic team, could make it, carrying forward our motto of a holistic, value-based education encompassing academics, co-curricular activities, sports education and life-skills learning. This time round, the add-on, in addition to special campus cleaning was a massive sapling plantation during annual "Van Mahotsav" and "Ek Ped Maa Ke Naam" 2.0 wherein over 500 saplings were planted in and around the college campus. While our students brought laurels in NCC, NSS and YRC activities they also represented the college at University level "Start-up & Innovation" competitions.

The all-round extracurricular activities along with a resounding academics engineered by the NEP-2020, this great institution is all set to embark on the path of further excellence.

I wish them all success in their future endeavors and wings to fly new heights"

Warm regards,

Dr JN Patnaik

Principal
